FARMINGTON, Conn., Jan. 12, 2022 /PRNewswire/ -- Horizon Technology Finance Corporation (NASDAQ: HRZN) ("HRZN" or the "Company"), a leading specialty finance company that provides capital in the form of secured loans to venture capital backed companies in the technology, life science, healthcare information and services, and sustainability industries, today provided its portfolio update for the fourth quarter ended December 31, 2021 and an update on the lending platform ("Horizon Platform") of Horizon Technology Finance Management LLC ("HTFM"), its investment adviser.

"We had another exceptional quarter, closing \$118 million of loans originated through our lending platform, including \$80 million of loans for HRZN," said Gerald A. Michaud, President of HTFM. "For the year, the Horizon Platform originated over \$425 million in new loans, including a record-high \$297 million for the HRZN portfolio."

"In addition, the committed backlog originated by the Horizon Platform grew to \$153 million of debt investments, including \$125 million in HRZN commitments, while the Horizon Platform maintained a considerable pipeline of new investment opportunities at the end of 2021," added Mr. Michaud. "This positions the Horizon Platform and HRZN for additional growth in 2022 and further evidences the increasing power of the Horizon brand to attract unique, diverse and transformative companies."

"Also in the fourth quarter, HRZN received \$55 million in loan prepayments – validating our predictive pricing strategy and providing HRZN with additional fee income and accelerated interest income. Entering 2022, we are excited by the opportunity to further grow the Horizon Platform and HRZN loan portfolio and to deliver more value to HRZN's shareholders," concluded Mr. Michaud.

Fourth Quarter 2021 Portfolio Update

Liquidity Events

HRZN experienced liquidity events from seven portfolio companies in the fourth quarter of 2021, including principal prepayments of \$55.0 million and receipt of warrant and equity proceeds totaling \$0.4 million, compared to \$50.4 million of principal prepayments and \$1.6 million of warrant proceeds during the third quarter of 2021:

- In October, Getaround, Inc. prepaid its outstanding principal balance of \$25.0 million on its venture loan, plus interest, end-of-term payment and prepayment fee. HRZN continues to hold warrants in the company.
- In October, Topia Mobility, Inc. prepaid its outstanding principal balance of \$10.0 million on its venture loan, plus interest, end-of-term payment and prepayment fee. HRZN continues to hold warrants in the company.
- In October, HRZN received warrant proceeds of \$0.1 million from its investment in Education Elements, Inc.
- In November, CVRx, Inc. prepaid its outstanding principal balance of \$20.0 million on its venture loan, plus interest, end-of-term payment and prepayment fee. HRZN continues to hold warrants in the company.
- In November, MVI (ABC), LLC (assignee of Stereovision Inc.) paid its outstanding principal balance of \$3.5 million on its venture loan, plus interest.
- In December, HRZN received \$7.0 million from the sale of its debt investment in Betabrand Corporation.
- In December, HRZN received cash proceeds of \$0.3 million from the sale of shares in Qualtrics International Inc., which HRZN received in connection with the sale of Clarabridge, Inc.

Principal Payments Received

During the fourth quarter of 2021, HRZN received regularly scheduled principal payments on investments totaling \$2.9 million, compared to regularly scheduled principal payments totaling \$3.2 million during the third quarter of 2021.

Commitments

During the quarter ended December 31, 2021, HRZN closed new loan commitments totaling \$114.9 million to 10 companies, compared to new loan commitments of \$91.0 million to 11 companies in the third quarter of 2021. HTFM's other managed funds, during the quarter, closed new loan commitments totaling \$38.8 million of unfunded loan approvals and commitments.

Pipeline and Term Sheets

As of December 31, 2021, HRZN's unfunded loan approvals and commitments ("Committed Backlog") were \$124.5 million to 23 companies. This compares to a Committed Backlog of \$100.6 million to 21 companies as of September 30, 2021. HRZN's portfolio companies have discretion whether to draw down such commitments and the right of a portfolio company to draw down its commitment is often subject to achievement of specific milestones and other conditions to borrowing. Accordingly, there is no assurance that any or all of these transactions will be funded by HRZN. HTFM's other managed funds ended the quarter with a total of \$28.0 million of unfunded loan approvals and commitments.

During the quarter, HTFM received signed term sheets that are in the approval process, which may result in the Horizon Platform providing up to an aggregate of \$135 million of new debt investments. These opportunities are subject to underwriting conditions including, but not limited to, the completion of due diligence, negotiation of definitive documentation and investment committee approval, as well as compliance with HTFM's allocation policy. Accordingly, there is no assurance that any or all of these transactions will be completed or funded by HRZN.

Capital Markets Activity – Warrant and Equity Portfolio

As of December 31, 2021, HRZN held a portfolio of warrant and equity positions in 77 portfolio companies, including 64 private companies, which provides the potential for future additional returns to HRZN's shareholders.
