Investment Company Act of 1940)	

Horizon Technology Finance Corporation (the “Company”), the Company’s investment adviser, Horizon Technology Finance Management LLC (the “Investment Adviser”) and the Company’s subsidiaries, Longview SBIC GP LLC (the “General Partner”) and Longview SBIC LP (“Horizon SBIC,” and collectively with the Company, Investment Adviser and General Partner, the “Applicants”), hereby apply for an order (the “Order”) of the U.S. Securities and Exchange Commission (the “Commission”) pursuant to Section 6(c) of the Investment Company Act of 1940, as amended (the “1940 Act”)¹ granting exemptions from Sections 18(a) and 61(a).

The relief requested in this amended application (as amended, the “Application”) would permit the Company to adhere to a modified asset coverage requirement under Section 61 of the 1940 Act with respect to any direct or indirect wholly owned subsidiary of the Company (each, a “Subsidiary” and, collectively, the “Subsidiaries”) that is licensed by the Small Business Administration (“SBA”) to operate under the Small Business Investment Act of 1958 (“SBIA”) as a small business investment company (“SBIC”) and relies on Section 3(c)(7) for an exemption from the definition of “investment company” under the 1940 Act (each, a “SBIC Subsidiary” and, collectively, the “SBIC Subsidiaries”).

Any existing entities that currently intend to rely on the Order have been named as Applicants, and any other existing or future entities that may rely on the Order in the future would comply with the terms and condition of the Application.

I. GENERAL DESCRIPTION OF APPLICANTS

A. The Company

The Company was organized under the General Corporation Law of the State of Delaware on March 16, 2010 for the purpose of operating as an externally managed, non-diversified, closed-end

¹ Unless otherwise indicated, all section references are to the 1940 Act.

management investment company that has elected to be regulated as a business development company (“BDC”)² under the 1940 Act.³ In addition, the Company has elected to be treated for tax purposes as a regulated investment company (“RIC”) under the Internal Revenue Code of 1986, as amended (the “Code”), and intends to continue to make such election in the future. The Company’s principal place of business is 312 Farmington Ave., Farmington, Connecticut 06032.

In connection with the Company’s initial public offering of common stock (the “IPO”), the Company filed a registration statement on Form N-2 (File No. 333-165570) (the “N-2”) and a notice under Form N-6F to be subject to Sections 55 through 65 of the 1940 Act. On October 28, 2010 the Company filed a registration statement on Form 8-A to register its common stock under Section 12 of the Securities Exchange Act of 1934, as amended (the “1934 Act”). The registration statement was declared effective on October 28, 2010. Accordingly, the Company is subject to the periodic reporting requirements under Section 13(a) of the 1934 Act. The Company’s common stock is listed on the NASDAQ Global Market and trades under the ticker symbol “HRZN.”

The Company operates as a BDC under the 1940 Act. The Company’s investment objective is to generate current income from the loans it makes and capital appreciation from the warrants it receives when making such loans. The Company intends to achieve its investment objective by making secured loans to development-stage companies backed by established venture capital and private equity firms in the technology, life science, healthcare information and services, and cleantech industries.

The board of directors of the Company (the “Board”) has seven members, of which four members are not “interested persons” of the Company within the meaning of Section 2(a)(19). As of March 1, 2011, the Company had no employees and five officers. As discussed below, the Investment Adviser serves as the investment adviser to the Company.

B. Horizon SBIC and General Partner

Horizon SBIC was formed under the Delaware Revised Uniform Limited Partnership Act (6 Del. C. Sections 17-101, et seq.) on February 11, 2011 and General Partner was formed under the Delaware Limited Liability Company Act (6 Del. C. Sections 18-101, et seq.) on February 11, 2011. The Company directly owns 99% of Horizon SBIC in the form of a limited partnership interest in Horizon SBIC. The General Partner is the general partner of Horizon SBIC and owns 1% of Horizon SBIC in the form of a general partnership interest. The Company is the sole manager of the General Partner and owns 100% of the General Partner’s equity interests. As a result, the Company, directly or indirectly through the General Partner, wholly owns Horizon SBIC.

The Company, on behalf of Horizon SBIC, submitted an application to the SBA on December 6, 2010 for a license to operate as an SBIC (the “SBIC Application”) and the SBA accepted the SBIC Application for filing on December 21, 2010. The SBIC Application is currently pending. The Applicants hereby represent that they will not rely on the order until the SBIC Application has been approved.

Upon Horizon SBIC’s receipt of the SBIC license, the Company will act as Horizon SBIC’s manager and investment adviser and will provide it with consulting and advisory services. Horizon SBIC is not registered under the 1940 Act as it relies on the exemption from the definition of investment company contained in Section 3(c)(7).

Horizon SBIC has the same investment objective and strategies as the Company, as summarized above. Although Horizon SBIC has not originated any debt or equity investments as of the date of this Application, it intends to originate such investments in the near future.

² Section 2(a)(48) defines a BDC to be any closed-end investment company that operates for the purpose of making investments in securities described in Sections 55(a)(1) through 55(a)(3) of the 1940 Act and makes available significant managerial assistance with respect to the issuers of such securities.

³ The Company’s predecessor and wholly owned subsidiary, Compass Horizon Funding LLC, a Delaware limited liability company, was formed in January 2008.

As an SBIC, Horizon SBIC will be examined periodically by the SBA's staff to determine its compliance with SBIC regulations. In addition, Horizon SBIC will be audited on an annual basis by a third-party accounting firm. SBICs are designed to stimulate the flow of private equity capital to eligible small businesses. Under present SBA regulations, eligible small businesses include businesses that have a tangible net worth not exceeding \$18 million and have average net income after federal taxes not exceeding \$6 million for the two most recent fiscal years. In addition, an SBIC must devote generally at least 25 percent of its investment activity to "smaller" concerns as defined by the SBA. A smaller concern is one that has a tangible net worth not exceeding \$6 million and has average net income after federal taxes not exceeding \$2 million for the two most recent fiscal years. SBA regulations also provide alternative size criteria to determine eligibility, which depend on the industry in which the business is engaged and typically include such factors as number of employees or gross sales. According to SBA regulations, SBICs may make long-term loans to small businesses or invest in the equity securities of such businesses. In addition to size criteria, SBA regulations also contain other limitations, including limits related to permitted industries, terms of investment, conflicts of interest and co-investments.

C. The Investment Adviser

Subject to the overall supervision of the Board, the Investment Adviser, a Delaware limited liability company, serves as the external investment adviser to the Company pursuant to an investment advisory agreement dated October 28, 2010. The Investment Adviser is registered as an investment adviser under the Investment Advisers Act of 1940, as amended.

II. REQUESTED RELIEF

A. Sections 6(c) and 18

1. Section 6(c)

Section 6(c) authorizes the Commission to exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provision or provisions of the 1940 Act or any rule thereunder if, and to the extent that such exemption is necessary or appropriate, in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

2. Section 18

Section 18(a) prohibits a registered closed-end investment company from issuing any class of senior security or selling any such security of which it is the issuer, unless it complies with the asset coverage requirements set forth in that Section. "Asset Coverage" is defined in Section 18(h) to mean, with respect to a class of senior security representing an indebtedness of an issuer, the ratio that the value of the total assets of an issuer, less all liabilities and indebtedness not represented by senior securities, bears to the aggregate amount of senior securities representing indebtedness of such issuer. Under the provisions of Section 18(a)(1)(A) of the 1940 Act, senior securities of closed-end investment companies representing indebtedness must have an asset coverage of 300 percent immediately after their issuance or sale. Section 61(a) of the 1940 Act applies Section 18 of the 1940 Act to a BDC to the same extent as if the BDC were a registered closed-end investment company, subject to certain exceptions. One of the exceptions provides that the asset coverage requirement of Section 18(a)(1)(A) applicable to BDCs is 200 percent.

Section 18(k) makes the asset coverage and other requirements of subparagraphs (A) and (B) of paragraph (1) of Section 18(a) inapplicable to investment companies operating under the SBIA. However, companies operating under the SBIA, such as SBIC Subsidiaries, are subject to the SBA's substantial regulation of permissible leverage in their capital structure. An SBIC with outstanding SBA financial assistance may not incur any secured, third-party debt or refinance any debt with secured, third-party debt without the prior written approval of the SBA. Horizon SBIC and any other SBIC Subsidiary will be regulated by the SBA and operate under the SBIA. There will be no difference in the SBA's regulation of Horizon SBIC or other SBIC Subsidiaries due to the fact that it and any other SBIC Subsidiaries will not be registered under the 1940 Act or be BDCs.

3. Need for Relief

The Company is a closed-end investment company for purposes of Section 18 of the 1940 Act, which is made applicable to BDCs by Section 61(a) thereof. Since Horizon SBIC is, and other SBIC Subsidiaries would be, Subsidiaries of the Company, the Company may be required to comply with the asset coverage requirements of Section 18(a) (as modified by Section 61(a) for BDCs) on a consolidated basis, because the Company may be deemed to be an indirect issuer of any class of senior security issued by Horizon SBIC or another SBIC Subsidiary. Applying Section 18(a) (as modified by Section 61(a)) on a consolidated basis generally would require that the Company treat as its own all assets held directly either by itself, by Horizon SBIC, or by another SBIC Subsidiary and also treat as its own any liabilities of the Company, Horizon SBIC and the other SBIC Subsidiaries (with intercompany receivables and liabilities eliminated).

4. Requested Order

Solely for the purposes of the requested relief, and only for such purposes, the Company seeks to treat Horizon SBIC and any other SBIC Subsidiaries as if each were a BDC subject to Sections 18 and 61 of the 1940 Act. Accordingly, the Company requests an Order pursuant to Section 6(c) of the 1940 Act exempting the Company from the provisions of Section 18(a), as modified by Section 61(a), such that senior securities issued by each SBIC Subsidiary that would be excluded from its individual asset coverage ratio by Section 18(k) if it were itself a BDC would also be excluded from the Company's consolidated asset coverage ratio. Since Horizon SBIC would be entitled to rely on Section 18(k) if it were a BDC itself, there is no policy reason to deny the benefit of that exemption to the Company. The Applicants believe that the Order requested in this Application would, if granted, be consistent with orders issued by the Commission pursuant to Section 6(c) of the 1940 Act in the past, as discussed below.

5. Precedents

The Commission has previously granted relief similar to the relief requested in this Application to allow the Company to exclude from its consolidated asset coverage ratio those senior securities that are issued by a wholly owned SBIC Subsidiary that would be excluded from its *individual* asset coverage ratio by Section 18(k)⁴.

⁴ See PennantPark Investment Corporation, et al., File No. 812-13772, IC-29665 (May 6, 2011) [notice] and IC-29686 (June 1, 2011) [order].

B. Condition

The Applicants agree that any Order granting the requested relief will be subject to the following condition:

1. The Company shall not issue or sell any senior security, and the Company shall not cause or permit Horizon SBIC or any other SBIC Subsidiary to issue or sell any senior security of which the Company, Horizon SBIC or any other SBIC Subsidiary is the issuer except to the extent permitted by Section 18 (as modified for BDCs by Section 61) of the 1940 Act; provided that, immediately after the issuance or sale by any of the Company, Horizon SBIC or any other SBIC Subsidiary of any such senior security, the Company, individually and on a consolidated basis, shall have the asset coverage required by Section 18(a) of the 1940 Act (as modified by Section 61(a)). In determining whether the Company has the asset coverage on a consolidated basis required by Section 18(a) of the 1940 Act (as modified by Section 61(a)), any senior securities representing indebtedness of Horizon SBIC or another SBIC Subsidiary shall not be considered senior securities and, for purposes of the definition of "asset coverage" in Section 18(h), shall be treated as indebtedness not represented by senior securities.
