CT's Horizon Tech funds \$5.5M to Md.'s Lotame

Hartford Business Journal
3/27/2013

Farmington specialty lender Horizon Technology Finance Corp. put up a \$5 million venture loan to Lotame Solutions Inc., a Maryland data-management servicer.

Terms weren't disclosed.

Lotame provides its data-management platform for publishers, ad networks and marketers.

The money will support its continued growth, Lotame founder/CEO Andy Monfried said.
