INVESTMENT MANAGEMENT AGREEMENT

This Investment Management Agreement (“Agreement”) is made effective as of June 30, 2023 by and between HORIZON TECHNOLOGY FINANCE CORPORATION a Delaware Corporation (the “Company”), and HORIZON TECHNOLOGY FINANCE MANAGEMENT LLC, a Delaware limited liability company (the “Advisor”).

WHEREAS, the Company is a closed-end management investment fund that elects to be treated as a business development company (“BDC”) under the Investment Company Act of 1940, as amended (the “Investment Company Act”);

WHEREAS, the Advisor is registered under the Investment Advisers Act of 1940 (the “Advisers Act”);

WHEREAS, the Advisor and the Company are parties to a certain Investment Management Agreement dated as of March 7, 2019 whereby the Advisor furnished investment advisory services to the Company on the terms and conditions set forth therein (the “Existing Agreement”);

WHEREAS, the Company and Advisor wish to enter into a new investment management agreement to replace the Existing Agreement, solely because the Advisor is simultaneously, with the entering into this Agreement, undergoing a change of control because affiliates of Monroe Capital LLC have acquired all outstanding equity interests in the Advisor;

WHEREAS, the Company desires to continue to retain the Advisor to furnish investment advisory services to the Company on the terms and conditions hereinafter set forth, and the Advisor wishes to be retained to provide such services.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the parties hereby agree as follows:

1. Duties of the Advisor.

(a) The Company hereby employs the Advisor to act as the investment adviser to the Company and to manage the investment and reinvestment of the assets of the Company, subject to the supervision of the Board of Directors of the Company, for the period and upon the terms herein set forth, (i) in accordance with the investment objective, policies and restrictions applicable to the Company as set forth in the Company’s Pre-Effective Amendment No. 1 to its Registration Statement on Form N-2, dated June 29, 2021 (File No. 333-255716), which was declared effective July 21, 2021 (the “Registration Statement”), as amended from time to time; (ii) during the term of this Agreement in accordance with all other applicable federal and state laws, rules and regulations, and the Company’s charter and bylaws; and (iii) for so long as the Company elects to be regulated as a BDC under the Investment Company Act, the Advisor will manage the assets of the Company in accordance with the Investment Company Act. Without limiting the generality of the foregoing, the Advisor shall, during the term and subject to the provisions of this Agreement, (i) determine the composition of the portfolio of the Company, the nature and timing of the changes therein and the manner of implementing such changes; (ii) identify, evaluate and negotiate the structure of the investments made by the Company; (iii) close and monitor the Company’s investments; (iv) determine the securities and other assets that the Company will purchase, retain, or sell; (v) perform due diligence on prospective portfolio companies; and (vi) provide the Company with such other investment advisory, research and related services as the Company may, from time to time, reasonably require for the investment of its funds. The Advisor shall have the power and authority on behalf of the Company to effectuate its investment decisions for the Company, including the execution and delivery of all documents relating to the Company’s investments and the placing of orders for other purchase or sale transactions on behalf of the Company. In the event that the Company determines to acquire debt financing, the Advisor will arrange for such financing on the Company’s behalf, subject to the oversight and approval of the Company’s Board of Directors. If it is necessary for the Advisor to make investments on behalf of the Company through a special purpose vehicle, the Advisor shall have authority to create or arrange for the creation of such special

purpose vehicle and to make such investments through such special purpose vehicle (in accordance with the Investment Company Act for so long as the Company elects to be regulated as a BDC under the Investment Company Act).

(b) The Advisor hereby accepts such employment and agrees during the term hereof to render the services described herein for the compensation provided herein.

(c) The Advisor is hereby authorized to enter into one or more sub-advisory agreements with other investment advisers (each, a “Sub-Advisor”) pursuant to which the Advisor may obtain the services of the Sub-Advisor(s) to assist the Advisor in fulfilling its responsibilities hereunder. Specifically, the Advisor may retain a Sub-Advisor to recommend specific securities or other investments based upon the Company’s investment objective and policies, and work, along with the Advisor, in structuring, negotiating, arranging or effecting the acquisition or disposition of such investments and monitoring investments on behalf of the Company, subject to the oversight of the Advisor and the Company. The Company shall be responsible for any compensation payable to any Sub-Advisor.

For so long as the Company elects to be regulated as a BDC under the Investment Company Act, any sub-advisory agreement entered into by the Advisor shall be in accordance with the requirements of the Investment Company Act and other applicable federal and state law.

(d) The Advisor shall for all purposes herein provided be deemed to be an independent contractor and, except as expressly provided or authorized herein, shall have no authority to act for or represent the Company in any way or otherwise be deemed an agent of the Company.

(e) For so long as the Company elects to be regulated as a BDC under the Investment Company Act, the Advisor shall keep and preserve for the period required by the Investment Company Act any books and records relevant to the provision of its investment advisory services to the Company and shall specifically maintain all books and records with respect to the Company’s portfolio transactions and shall render to the Company’s Board of Directors such periodic and special reports as the Board may reasonably request. The Advisor agrees that all records that it maintains for the Company are the property of the Company and will surrender promptly to the Company any such records upon the Company’s request, provided that the Advisor may retain a copy of such records.

2. Company’s Responsibilities and Expenses Payable by the Company.

All investment professionals of the Advisor and their respective staffs, when and to the extent engaged in providing investment advisory and management services hereunder, and the compensation and routine overhead expenses of such personnel allocable to such services, will be provided and paid for by the Advisor and not by the Company. The Company will bear all other costs and expenses of its operations, administration and transactions pursuant to that certain Administration Agreement, dated as of October 28, 2010, by and between the Company and Horizon Technology Finance Management LLC, the Company’s Administrator.

3. Compensation of the Advisor.

The Company agrees to pay, and the Advisor agrees to accept, as compensation for the services provided by the Advisor hereunder, a base management fee (“Base Management Fee”) and an incentive fee (“Incentive Fee”) as hereinafter set forth. The Company shall make any payments due hereunder to the Advisor or to the Advisor’s designee as the Advisor may otherwise direct. To the extent permitted by applicable law, the Advisor may elect, or the Company may adopt a deferred compensation plan pursuant to which the Advisor may elect to defer all or a portion of its fees hereunder for a specified period of time.

(a) The Base Management Fee as of the date hereof shall be calculated at annual rate of (i) 2.00% of the Company’s gross assets (less cash and cash equivalents), including any assets acquired with the proceeds of leverage, of \$250 million or less, and (ii) 1.60% of the Company’s gross assets (less cash and cash equivalents), including any assets acquired with the proceeds of leverage, of greater than \$250 million. Base Management Fees shall be payable monthly in arrears and for any partial month shall be appropriately prorated.

(b) The Incentive Fee shall consist of two parts, as follows:

- (i) One part, which is subject to the Incentive Fee Cap and Deferral Mechanism (as defined under Section 3(b)(ii) below), will be calculated and payable quarterly in arrears based on the pre-Incentive Fee net investment income for the immediately preceding calendar quarter. For this purpose, pre-Incentive Fee net investment income means interest income, dividend income and any other income (including any other fees (other than fees for providing managerial assistance), such as commitment, origination, structuring, diligence and consulting fees or other fees that the Company receives from portfolio companies) accrued by the Company during the calendar quarter, minus the Company's operating expenses for the quarter (including the Base Management Fee, expenses payable under the Administration Agreement to the Administrator, and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay in kind interest and zero coupon securities), accrued income that we have not yet received in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

Pre-Incentive Fee net investment income, expressed as a rate of return on the value of the Company's net assets at the end of the immediately preceding calendar quarter, shall be compared to a "hurdle rate" of 1.75% per quarter (7.00% annualized). The Company's pre-Incentive Fee net investment income used to calculate this part of the Incentive Fee is also included in the amount of its gross assets used to calculate the 2.00% Base Management Fee. The Company shall pay the Advisor an Incentive Fee with respect to the Company's pre-Incentive Fee net investment income in each calendar quarter as follows: (1) no Incentive Fee in any calendar quarter in which the Company's pre-Incentive Fee net investment income does not exceed the hurdle rate of 1.75%; (2) 100% of the Company's pre-Incentive Fee net investment income with respect to that portion of such pre-Incentive Fee net investment income, if any, that exceeds the hurdle rate but is less than 2.1875% in any calendar quarter (8.75% annualized); the portion of the Company's pre-Incentive Fee net investment income (which exceeds the hurdle but is less than 2.1875%) is referred to as the "catch-up." The "catch-up" is meant to provide the Adviser with 20% of the Company's pre-Incentive Fee net investment income as if a hurdle did not apply if the Company's pre-Incentive Fee net investment income exceeds 2.1875% in any calendar quarter; and (3) 20% of the amount of the Company's pre-Incentive Fee net investment income, if any, that exceeds 2.1875% in any calendar quarter (8.75% annualized) payable to the Advisor (once the hurdle is reached and the catch-up is achieved, 20% of all pre-Incentive Fee net investment income thereafter is allocated to the Advisor). These calculations shall be appropriately pro rated for any period of less than three months and adjusted for any share issuances or repurchases during the relevant quarter.

- (ii) *Fee Cap and Deferral Mechanism.* The Incentive Fee specified in Section 3(b)(i) above shall be subject to a fee cap and deferral mechanism which will be determined based upon a look-back period of up to three years. For this purpose, the Incentive Fee look-back period (the "Incentive Fee Look-back Period") shall include the relevant calendar quarter and the 11 full preceding calendar quarters. Each quarterly Incentive Fee payable under Section 3(b)(i) is subject to a cap (the "Incentive Fee Cap") and a deferral mechanism through which the Advisor may recoup a portion of such deferred Incentive Fee (collectively, the "Incentive Fee Cap and Deferral Mechanism"). The "Incentive Fee Cap" is equal to (a) 20.0% of Cumulative Pre-Incentive Fee Net Return (as defined below) during the Incentive Fee Look-back Period less (b) cumulative Incentive Fees of any kind paid to the Advisor during the Incentive Fee Look-back Period. To the extent the Incentive Fee Cap is zero or a negative value in any calendar quarter, the Company

shall pay no Incentive Fee under Section 3(b)(i) to the Advisor in that quarter. To the extent that the payment of Incentive Fee under Section 3(b)(i) is limited by the Incentive Fee Cap, the payment of such fees shall be deferred and paid in subsequent calendar quarters up to three years after their date of deferral, subject to applicable limitations included herein. The Company shall only pay Incentive Fees under Section 3(b)(i) to the extent allowed by the Incentive Fee Cap and Deferral Mechanism. “Cumulative Pre-Incentive Fee Net Return” during any Incentive Fee Look-back Period means the sum of (a) pre-Incentive Fee net investment income and the Base Management Fee for each calendar quarter during the Incentive Fee Look-back Period and (b) the sum of cumulative realized capital gains and losses, cumulative unrealized capital appreciation and cumulative unrealized capital depreciation during the applicable Incentive Fee Look-back Period.

- (iii) The second part of the Incentive Fee (the “Capital Gains Fee”) shall be determined and payable in arrears as of the end of each calendar year (or upon termination of this Agreement as set forth below), and will equal 20.0% of the Company’s realized capital gains, if any, on a cumulative basis from the date of the Company’s election to be a BDC through the end of each calendar year, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the amount of any previously paid capital gain Incentive Fees, with respect to each of the investments in our portfolio . In the event that this Agreement shall terminate as of a date that is not a calendar year end, the termination date shall be treated as though it were a calendar year end for purposes of calculating and paying a Capital Gains Fee.

4. Covenants of the Advisor.

The Advisor covenants that it is registered as an investment adviser under the Advisers Act. The Advisor agrees that its activities will at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments.

5. Excess Brokerage Commissions.

The Advisor is hereby authorized, to the fullest extent now or hereafter permitted by law, to cause the Company to pay a member of a national securities exchange, broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another member of such exchange, broker or dealer would have charged for effecting that transaction, if the Advisor determines in good faith, taking into account such factors as price (including the applicable brokerage commission or dealer spread), size of order, difficulty of execution, and operational facilities of the firm and the firm’s risk and skill in positioning blocks of securities, that such amount of commission is reasonable in relation to the value of the brokerage and/or research services provided by such member, broker or dealer, viewed in terms of either that particular transaction or its overall responsibilities with respect to the Company’s portfolio, and constitutes the best net results for the Company.

6. Limitations on the Employment of the Advisor.

The services of the Advisor to the Company are not exclusive, and the Advisor may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Company, so long as its services to the Company hereunder are not impaired thereby, and nothing in this Agreement shall limit or restrict the right of any manager, partner, officer or employee of the Advisor to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith (including fees for serving as a director of, or providing consulting services to, one or more of the Company’s portfolio companies, subject to applicable law). So long as this Agreement or any extension, renewal or amendment remains in effect, the Advisor shall be the only investment adviser for the Company, subject to the Advisor’s right to enter into sub-advisory agreements. The Advisor assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and

stockholders of the Company are or may become interested in the Advisor and its affiliates, as directors, officers, employees, partners, stockholders, members, managers or otherwise, and that the Advisor and directors, officers, employees, partners, stockholders, members and managers of the Advisor and its affiliates are or may become similarly interested in the Company as stockholders or otherwise.

7. Responsibility of Dual Directors, Officers and/or Employees.

If any person who is a manager, partner, officer or employee of the Advisor is or becomes a director, officer and/or employee of the Company and acts as such in any business of the Company, then such manager, partner, officer and/or employee of the Advisor shall be deemed to be acting in such capacity solely for the Company, and not as a manager, partner, officer or employee of the Advisor or under the control or direction of the Advisor, even if paid by the Advisor.

8. Limitation of Liability of the Advisor; Indemnification.

The Advisor (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Advisor) shall not be liable to the Company for any action taken or omitted to be taken by the Advisor in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Company (except to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services for so long as the Company elects to be regulated as a BDC under the Investment Company Act), and the Company shall indemnify, defend and protect the Advisor (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Advisor, each of whom shall be deemed a third party beneficiary hereof) (collectively, the “Indemnified Parties”) and hold them harmless from and against all damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Company or its security holders) arising out of or otherwise based upon the performance of any of the Advisor’s duties or obligations under this Agreement or otherwise as an investment adviser of the Company. Notwithstanding the preceding sentence of this Section 8 to the contrary, nothing contained herein shall protect or be deemed to protect the Indemnified Parties against or entitle or be deemed to entitle the Indemnified Parties to indemnification in respect of, any liability to the Company or its security holders to which the Indemnified Parties would otherwise be subject by reason of willful misfeasance, bad faith or gross negligence in the performance of the Advisor’s duties or by reason of the reckless disregard of the Advisor’s duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the Securities and Exchange Commission or its staff thereunder for so long as the Company elects to be regulated as a BDC under the Investment Company Act).

9. Effectiveness, Duration and Termination of Agreement.

(a) This Agreement shall become effective as of the first date above written. This Agreement shall remain in effect for an indefinite period; provided, however, for so long as the Company elects to be regulated as a BDC under the Investment Company Act, then this Agreement may be terminated at any time, without the payment of any penalty, upon not more than 60 days’ written notice, by the vote of a majority of the outstanding voting securities of the Company or by the vote of the Company’s Directors or by the Advisor. The provisions of Section 8 of this Agreement shall remain in full force and effect, and the Advisor shall remain entitled to the benefits thereof, notwithstanding any termination of this Agreement. Further, notwithstanding the termination or expiration of this Agreement as aforesaid, the Advisor shall be entitled to any amounts owed under Section 3 through the date of termination or expiration and Section 8 shall continue in force and effect and apply to the Advisor and its representatives as and to the extent applicable.

(b) For so long as the Company elects to be regulated as a BDC under the Investment Company Act:

(i) This Agreement shall continue in effect for two years from the date hereof, or to the extent consistent with the requirements of the Investment Company Act, from the date of

the Company's election to be regulated as a BDC under the Investment Company Act, and thereafter shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by (A) the vote of the Company's Board of Directors, or by the vote of a majority of the outstanding voting securities of the Company and (B) the vote of a majority of the Company's Directors who are not parties to this Agreement or "interested persons" (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any such party, in accordance with the requirements of the Investment Company Act;

- (ii) The Agreement may be terminated at any time, without the payment of any penalty, upon not more than 60 days' written notice, by the vote of a majority of the outstanding voting securities of the Company, or by the vote of the Company's Directors or by the Advisor;
- (iii) This Agreement will automatically terminate in the event of its "assignment" (as such term is defined for purposes of Section 15(a)(4) of the Investment Company Act).

(c) The provisions of Section 8 of this Agreement shall remain in full force and effect, and the Advisor shall remain entitled to the benefits thereof, notwithstanding any termination of this Agreement. Further, notwithstanding the termination or expiration of this Agreement as aforesaid, the Advisor shall be entitled to any amounts owed under Section 3 through the date of termination or expiration and Section 8 shall continue in force and effect and apply to the Advisor and its representatives as and to the extent applicable.

10. Notices.

Any notice under this Agreement shall be given in writing, addressed and delivered or mailed, postage prepaid, to the other party at its principal office.

11. Amendments.

This Agreement may be amended by mutual consent. For so long as the Company elects to be regulated as a BDC under the Investment Company Act, the consent of the Company must be obtained in conformity with the requirements of the Investment Company Act.

12. Entire Agreement; Governing Law.

This Agreement contains the entire agreement of the parties and supersedes all prior agreements, understandings and arrangements with respect to the subject matter hereof. This Agreement shall be governed by and construed in accordance with the laws of the State of New York. For so long as the Company elects to be regulated as a BDC under the Investment Company Act, this Agreement shall also be construed in accordance with the applicable provisions of the Investment Company Act. In such case, to the extent the applicable laws of the State of New York or any of the provisions herein, conflict with the provisions of the Investment Company Act, the latter shall control.

Monroe Capital Completes Acquisition of Horizon Technology Finance Management and Expands into Venture Debt

Chicago, IL, July 5, 2023 – Monroe Capital LLC (“Monroe”) today announced it has completed the acquisition of Horizon Technology Finance Management LLC (“Horizon”), a market leader in venture debt lending. Horizon is the investment adviser to Horizon Technology Finance Corporation (NASDAQ: HRZN).

Horizon is a leading investment manager of venture debt products for high-growth companies in the technology, life sciences, healthcare information and services, and sustainability industries. As a pioneer in venture debt, since its founding in 2004, Horizon has invested in more than 315 venture-backed companies. The acquisition of Horizon augments Monroe Capital’s existing platform with an experienced investment team and distinguished track record across multiple market cycles.

Ted Koenig, Chairman and CEO of Monroe, commented, “As one of the largest U.S. venture debt platforms, Horizon is a strong addition to Monroe’s diverse portfolio of other U.S. direct lending products, including CLOs, lower middle market lending, opportunistic lending and real estate. We look forward to working closely with a best-in-class management team to grow our platform over the long term. The acquisition continues Monroe’s strategy of providing differentiated niche-focused investment solutions to institutional and high net worth clients around the world. We are excited by the prospects of leveraging our platform to offer our limited partners a differentiated lending product in one of the fastest growing segments of private credit.”

Zia Uddin, President of Monroe, stated, “Combining Horizon’s prominence in the venture market with Monroe’s experience in financing later stage growth equity, private equity and privately held companies provides Monroe with a unique opportunity to work with a company across every stage of its growth cycle. We believe venture debt will play an increasingly meaningful role in the future growth of direct lending given the changes in the broader economic environment and dislocation that has occurred in the venture debt arena.”

Rob Pomeroy, CEO of Horizon, commented, “We are delighted to join a premier global asset manager, Monroe Capital. Through our combined expertise, we are confident this relationship will enable us to build on the long-standing success of Horizon. This acquisition provides us access to Monroe’s platform, expertise and resources to scale our financing capabilities to dynamic, high growth companies in the venture debt arena.”

Horizon’s current management team and investment professionals of Horizon are continuing to serve as officers and senior management of the company.

Monroe announced its agreement to acquire Horizon on February 23, 2023. For more information on the acquisition, please reference the February press release.
